Client Terms and Conditions – 2026

Effective Date: 1 January 2026

By engaging Eco Touch Cleaning Pty Ltd ("ETC", "we", "us"), you agree to the following Terms and Conditions. These terms are designed to clearly set expectations, protect both parties, and support a professional, safe, and high-quality service.

1. Scope of Services

Services are provided in accordance with the inclusions list and quote supplied at the time of booking. Only tasks specifically listed in your quote or inclusions list are included in your service. Any additional tasks must be requested in advance and may incur an additional fee.

ETC operates on a package-based service model. Pricing is based on the agreed scope of work, not time spent on site.

If a customised quote is provided, only items listed in that quote will be completed. Requests for additional or unquoted items during a service may be declined and will require re-quoting for a future visit.

2. Booking Confirmation and Scheduling

- Booking reminders are sent via Servis.
- Reminders are issued one day prior to your scheduled service.
- Quotes are provided following an in-home assessment and sent to the client for approval prior to services commencing.
- Invoices are issued via Xero, generally one day prior to your service.

Scheduled times are approximate. Our team may arrive up to 10 minutes before or after the scheduled time due to traffic, weather conditions, or operational requirements.

3. Payment Terms

- Payment is due on the day of service unless prior arrangements have been made.
- Accepted payment methods are bank transfer and automatic payment via Stripe (fees apply).
- Late payments incur a \$12 charge per 24-hour cycle overdue, commencing after the service date.

ETC reserves the right to suspend or cancel services due to ongoing late or failed payments.

4. Cancellations and Changes

Single Service Cancellations

- No fee applies for cancellations with at least 48 hours' notice.
- Cancellations made with less than 48 hours' notice incur a 50 percent service fee.
- Same-day or morning-of cancellations incur the full service fee.

Ongoing Services (Permanent Cancellation)

A minimum of one week's notice is required to cancel ongoing services. If less notice is provided, the full cost of the next scheduled service remains payable.

ETC may waive cancellation fees at its discretion based on individual circumstances.

5. Access to Property

- Full and safe access to the property is required at the scheduled time.
- Working electricity and running water must be available.
- If access is not provided, a \$100 lockout fee applies after a 15-minute wait. This fee is to cover staff wages and loss of allocated service time. This fee applies regardless of whether the service is able to proceed.

If a door to any room is closed at the time of service, our team will not enter or clean that room unless prior permission has been given or it has been specifically stated in writing beforehand.

6. Client Preparation and Clutter

To allow our team to focus on cleaning, clients are asked to ensure floors, benchtops, and service areas are free from excessive clutter.

If clutter restricts access to areas, cleaners will clean around items or service time may be reduced accordingly. Tidying services are not included unless pre-arranged as an additional service.

ETC is not responsible for missed areas where access is restricted due to clutter, personal items, or furniture placement.

7. Cleaning Products and Equipment

ETC supplies all equipment, tools, and eco-friendly cleaning products. Equipment is cleaned and sanitised between homes.

For insurance and safety reasons, ETC does not use client-supplied equipment or cleaning products. Our staff are trained exclusively on ETC systems and equipment, and we are not insured for the use of client-owned equipment.

8. Items We Do Not Clean

- Mould removal from walls, ceilings, or structural surfaces.
- Heavy or bulky furniture such as beds, bookcases, fish tanks, or large appliances.
- Pet waste, including urine, faeces, or vomit, unless pre-arranged as an additional service.

Light surface mould on bathroom silicone or tiles may be lightly cleaned as part of a regular service, however full removal is not guaranteed.

We love pets, however for safety reasons pets must be secured or supervised during our visit.

ETC cannot be held responsible for pets escaping during the service or for pet-related incidents where pets are not adequately secured.
